Summer 2021

Ending the Year With ENTHUSIASM AND EXCITEMENT

Students at Floral Park-Bellerose School and John Lewis Childs School finished out this school year with the same vigor and positivity that carried them through the start of this uncertain year. With smiles on their faces, still evident despite the masks, they concluded this year with both fun and educational activities that allowed them to be creative and active and spend quality time with their peers.

Art Walk at FPBS

Students in grades K-6 showcased their artistic talents and art pieces in Floral Park-Bellerose School's Art Walk. Classes were able to participate in a "museum walk," viewing their classmates' work throughout the hallways.

It's a Small World at JLCS

To promote a kind, accepting and empathetic environment, JLCS hosted a schoolwide project, "It's a Small World." Each grade was assigned a different region, and classes learned about a specific country within that region. They decorated the classroom doors and hallway bulletin boards to reflect their designated country. During the week of June 7, students walked around the building with replica passports and received a stamp or sticker for visiting each region.

FPBS Olympics

Students showed off their athletic abilities during the annual end-of-year Olympics. Held outdoors on the back field of the school, students in grades K-3 participated in the Jr. Olympics on May 26, and students in grades 4-6 participated in Olympic Day on June 9. The students, dressed in matching classroom colors and T-shirts, competed in a variety of relay races.

JLCS Field Day

On May 24 and 25, JLCS students in grades K-6 enjoyed playing and competing with their peers during the outdoor Field Day events. They participated in relay races, played cornhole and KanJam, and searched the playground during a scavenger hunt.

New Website Sneak Peek

Our district website is getting a makeover! Before the start of the 2021-22 school year, our website will be updated to reflect a new design that is both user friendly and consistent with the look and feel of our newsletters. We are so excited for you to see it!
